Read the story and answer.

Halloween is one of the most famous holidays in USA and it is on October 31. People carve pumpkins and make funny faces on them. these are called Jack-O'-Lantern. October 31 children wear a special costume such as a witch, ghost, or clown. They go to the houses and knock on the door saying "trick or treat!" It means that if people don't give them a treat, they will play some kind of trick on the household. So, usually people give candy to them.

I carved my first Halloween pumpkin at my friend's house. First, I cut open the top of the pumpkin and pulled the seeds out. It was not good for me because it was sticky and smelled bad. I have never carved a pumpkin, so it was interesting for me. Next, I carved the eyes and the mouth. I wanted to make a face like a pirate. When I finished making the face, I put a candle inside. It was very beautiful, so I was happy.
